Dear Supporter:

The UNIVERSITY OF HOUSTON, COLLEGE OF TECHNOLOGY is one of the oldest colleges to be permanently placed on the UH campus and encompasses three main departments of Engineering Technology, Human Development and Consumer Sciences, Information and Logistics Technology and a fourth department in Life Sciences is currently under development.

The **Technology Alumni Association (TAA)** was founded to strengthen and support the College of Technology faculty, student body, graduates and business community. The Association takes great pride in funding and awarding scholarships to the current student body every Fall as well as recognizing an outstanding faculty member who excels both in teaching and in building a sense of community among students.

The Alumni Association's primary fundraising event is our annual golf tournament. This year's **13th Annual Technology Golf Classic** will be held on **Monday, April 27, 2009** at **Evergreen Point Golf Club** located just minutes from the San Jacinto Battlefield. Not only is the Golf Club steeped in Texas history, but also the Head Golf Professional Chad Marti is a UH golf alum.

As in previous years, the cost of the tournament is **supported by voluntary donations** from the business community. There are a number of levels of participation as outlined on the attached page. In addition, we also conduct a silent auction as well as award door prizes and gift bags to the players. We anticipate that between 75 and 100 golfers from around the Houston area will attend the tournament.

Please consider sponsoring our event. Any level of participation is greatly appreciated, and **sponsors and participants will receive a tax-deductible receipt from the Houston Alumni Organization**. Your support will go a long way in **funding student scholarships and TAA programs**.

If you have any questions, please contact Kenneth Sutton, 2009 Golf Committee Chairman by phone at 713-539-8457 or by email at ksutton@sprynet.com. You can register your participation online at <https://www.mycougarconnection.com> or checks can be made payable to TAA and mailed to Kenneth Sutton at 5534 Huisache, Houston, TX 77081.

Thank you in advance for your consideration and support.

Kind regards,

Kenneth Sutton
